When Jesus said pray "Your kingdom come, your will be done, on earth as it is in heaven," he was looking for a heavenly partnership between us and God to see the world around us transformed into a greater representation of God's Kingdom rule.

This conference is aimed at how to see the Kingdom expand in your everyday life, whether at work, at home or with friends based upon the experience and journey that Hope Community Church Wymondham have been on in the last few years.

Our amazing worship team will lead us throughout the weekend and sessions will look at defining what the Kingdom looks like, how the Kingdom expands and your role in seeing that happen.
